JELLYFISH - PART FIVE

stitched from colouring book Lost Ocean by Johanna Basford using

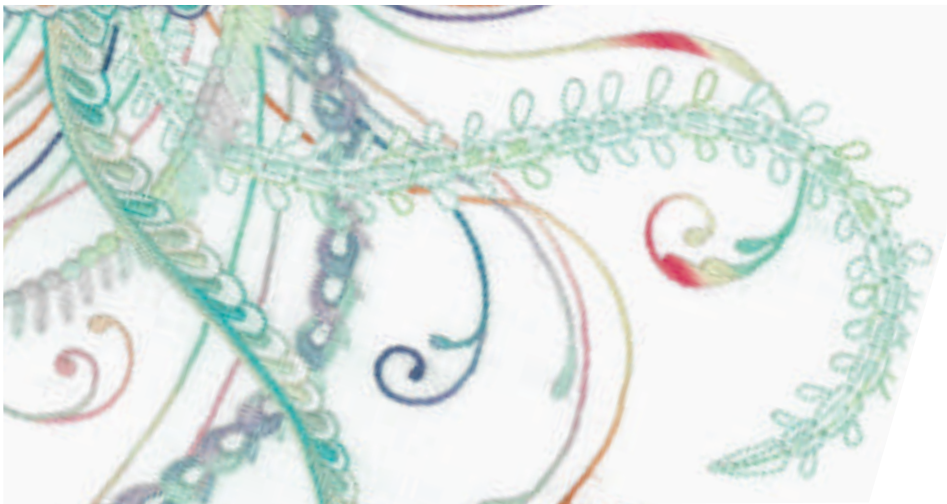

PART FIVE

The swirls and soft curls of the tentacles are stitched with a combination of simple stitches giving a lace like effect. In this part, we stitch two of the larger tentacles.

THREAD NO. 3

The circles are satin stitched and the loops are long detached chain stitches using the traced dot as the anchor point for the chain stitch.

THREAD NO. 8

The lace like effect of this tentacle is stitched by using a backstitch on the outlining stitches and satin stitch on the inner rectangle.
